TOKEN OF APPRECIATION — Harry Griffen of Lemon Grove (r) accepts plaque thanking him for his many years of service to the Helix Water district, of which he has been board chairman since 1959. La Mesa City Treasurer Arthur Dahlquist is making the presentation of a plaque of commendation signed by a number of state officials. Presentation took place at the water district's recent board meeting.

Facility Urged For 'Goof-Balls'

Assembly Speaker Jesse M. Unruh has introduced a resolution in the Legislature which would call on the Director of the California Youth Authority to establish a facility for the purpose of rehabilitation, education, and treatment of youths addicted to amphetamine or barbiturate dangerous drugs.

The resolution was an outgrowth of a recommendation made by the Los Angeles County Narcotics commission and is also supported by the state attorney general.

The speaker pointed out that the use of illegally obtained amphetamine and barbiturate drugs by juveniles could cause a variety of acute and chronic changes in psychological functioning and social behavior.

Unruh stated: "A youth who is addicted or habituated to these dangerous drugs is in danger of leading an idle, dissolute, lewd or immoral life and is in need of rehabilitation and treatment."

The speaker stressed that this program would not require additional tax money since the Youth Authority would be able to and would be limited to existing appropriations, personnel and facilities.

Unruh's measure would also require the Director to report to the Legislature not later than Jan. 1, 1967, on the progress of the facility that may be established.

Harry Griffen Honored At Helix Irrigation Meet

Harry Griffen of Lemon Grove, Helix Water District board chairman, was honored at the board's recent meeting when a plaque was presented to him by state Sen. Jack Schrade, R-San Diego, and Arthur Dahlquist, La Mesa mayor.

The citation, signed by a number of state officials, commended Griffen's "outstanding contribution to your district," to the county, and state.

La Mesa City Treasurer Arthur Dahlquist made the presentation at an HID board [illegible]. On hand were several area dignitaries including Mayor Ray Fellows, Chamber of Commerce president Hazen Streit Jr., chamber manager James Culver and Rotary Club president Charles Smith.

The signers included Schrade, Assembly Speaker Jesse Unruh, D-Los Angeles, Assembly water committee Chairman Carley V. Porter, D-Compton, and San Diego area assemblymen Clair Burgener, E. Richard Barnes, Richard Donovan, James Mills and Hale Ashcraft.

Griffen has been a member of the Helix board since 1951 and chairman since 1959.

Griffen has served as a director of the San Diego County Water Authority Board since 1956 and is treasurer of the Metropolitan Water District of Southern California.

Spring Valley 4-H Takes Poway Prize

The Spring Valley 4-H club is raising money by selling candy bars. Proceeds will be used to send two 4-H members to Davis college.

At a recent Poway Demonstration Day event, S. V. 4-Hers took awards. Glenn Moore and Dale Harbeseron took purple ribbons for "Diseases of Rabbits." First places were taken by Kathy Provancha and Debra Sarot for a demonstration on "cooking."

A demonstration by Bobby Martin and Neil Wilson on "Famous Pigs in the U. S." also took a prize. Dave Vertin on "Marketing Your Wool" produced a prize, as did "Dehorning Your Calf," by Bill Provancha and Tom Callahan.

BONDS NOT 'VILLAINS'

State Treasurer Bert A. Betts said in San Diego recently that he is concerned about the volume of bonds he sells for state programs, but at the same time he objected to "people who are trying to make a villain out of the bonded debt."

Young Musicians Play at Benefit

"The Rhythm Rascals", young Spring Valley western band, played with other country music makers Sunday, at a benefit at Hilltop Cafe in La Cresta.

The benefit was for Mr. and Mrs. George Mora of El Cajon, whose four-year old daughter, Debbie, has been given only a short time to live because of cancer.

The "Rythm Rascals" played from 8 to 9 p.m. The group is composed of Jack Eskridge, drums; Pat Foley, bass; Kristle Clark, rhythm guitar and vocals; Jim Saewart, lead guitar; and Bob Milican, second lead guitar and vocals.

'Astronomical' County Budget Forecasts Higher Tax Rate

SAN DIEGO (CNA) — County government started fiscal year 1964-65 with a contingency reserve of $700,000. This reserve now is $9.76, according to Chief Administrative Officer T. M. Heggland.

Heggland predicted an "astronomical" budget for the next fiscal. He expects to deliver the budget to the Board of Supervisors for Friday.

As Heggland discussed budget transfers Tuesday, he said ruefully, "You're going to get a beautiful budget Friday."

Board chairman Frank Gibson said, "What do you mean 'beautiful'?"

Heggland said, "Well, I guess that anything that is astronomical could be called beautiful.'

The budget is expected to be in the neighborhood of $120,000,000. The final figure for this year's budget was $109.7 million. Heggland, as usual, will not speculate on the tax rate but developments this year point to an increase from the present $2.131.

Costs in several sectors were underbudgeted, notably in the welfare department. Tuesday, another $120,000 was transferred to that department to go with $500,000 previously transferred.

Another transfer was $41,000 to the jail fund. This money came from salary savings in the health department. Heggland said that the budget had contemplated an average daily attendance in the jail of 575 prisoners. He said that this has risen to 679 on the average and is now expected to reach 761 by June.

Hunts Money

Heggland has told the board that a major portion of his job from now to the end of the fiscal year on June 30 will be hunting for money to replace deficits.

Also on Tuesday, the board took under consideration salary recommendations of the Civil Service Commission. The recommendations would cost about $981,680 more than salaries paid this year. This, however, is much smaller an increase than the $1.9 million in pay raises granted for this year.

Pressure on the budget come from several sources. Several non-profit groups connected with the arts or various museums have entered new or enlarged requests. The request for a women's honor camp is certain to get close scrutiny by the board.

Heggland will undoubtedly hold down departmental re-

Liquor Store Bandits Get Prison Term

SAN DIEGO (CNA) — Two San Diego youths have been sentenced to prison of the armed robbery of The Windmill liquor store, 8291 Broadway, Lemon Grove.

They are Tommy Lee Gladney, 19, and Eddie Louis Edwards, both of San Diego.

The armed men robbed Louis Salvato, owner of the liquor store, of $380 in liquor, cigarets and cash last Nov. 6.

They were arrested the following day in Los Angeles in a car they had stolen from 1561 Eucid ave.

S.D. Imperial Nets Higher Earnings

San Diego Imperial Corporation's net earnings for the quarter ended March 31, 1965, were $1,698,587, compared with $1,696,533 for the first quarter of 1964, Jack H. McDonald, president, announced today.

Per share earnings were 22 cents in each period, based on 7,818,648 average common shares outstanding. Per share results for 1964 have been adjusted to reflect the 5 per cent stock dividend paid in December, 1964.

Gross income for 1965's first quarter was $14,239,099, compared with $12,525,835 for the like period last year.

At March 31, savings of the San Diego-based holding company's 15 subsidiary savings and loan associations including one on Broadway in Lemon Grove, aggregated $748,242,757, an increase of $103,550,953 during the year.

Loans outstanding totaled $829,284,682, compared with $715,873,721 a year ago.

The corporation's consolidated assets at the end of the first quarter of tihs year were $950,772,880, an increase of $125,651,183 during the 12-month period.

MISS SPRING VALLEY — Claudia Hoffman's birthday gift came a bit early this year in the form of the title "Mis Spring Valley," bestowed upon her Tuesday evening before 300 spectators at the S.V. Chamber of Commerce Hall. Claudia will be 17 Monday. Runner-up among the 11 candidates was Lorraine White. Judi Stinson was named "Miss Spring Valley Chamber of Commerce." Lemon Grove's Fairest of the Fair contest was held Wednesday evening — too late for this week's paper.

FIRE COMMISSIONER— John L. Hall, 1811 El Prado, Lemon Grove, who was elected to the Lemon Grove Local Fire District overwhelmingly in an election earlier this month is pictured at his first board meeting Monday evening.

Hali said that the district had "no urgent needs at present" and that he would reserve judgment on the future until he had a chance to "do some studying." Although he was reticent to give information about himself prior to the election, he answered questions freely at the meeting.

At the meeting a preliminary budget of $180,800 was studied. Last year the budget was $176,000.

The tax rate for the coming year should remain about the same, opined Fire Chief Pappy Hensley.

At the meeting Commissioner Tom Parsons was elected president, and Parker Shumate was elected secretary. There are three commissioners in all.

Higher Expenses, Lower Tax Base Plagues Budgeteers

The Lemon Grove school board jousted Monday night with such imponderables as: a request for $40,000 in raises for classified employes; $92,000 in raises for teachers; a preliminary budget that is $57,000 higher than last year's but does not include the requested pay raises, and a possible drop of 10 per cent in assessed valuation in the dictrict.

Classified employes, through Mrs. Rita Russell, asked that the budgeted 4 per cent increment be changed to 5 per cent. If granted, it would cost the district $40,000 a year, Byron Netzley, school superintendent said. William Whitley presented the teachers' request of $300 across-the-board raise and an increment increase of $25. Netzley said the raise would cost the district $92,000 annually.

Not in Preliminary

The above requests were not a part of a preliminary budget which called for an increase of $57,000 from $1,999,000 last year to $2,045,000. District Business Manager Paul Reynolds said that the dropping level of state in local assessed valuation will add to the complicated financial picture. Reynolds said reserve fund will probably be cut from $66,000 last year to $39,000 this year. It was $105,000 two years ago.

Other Action

In other board action Mrs. Betty Higgins was appointed principal of Vista La Mesa elementary school. She replaces Clarence Allen who died recently.

Louis Poluzzi was appointed temporary principal of San Altos school replacing Doug Giles who is on sabbatical leave. Richard Needham will replace Poluzzi as administrative assistant and bus superintendent.

In spite of the financial difficulties, Reynolds said the tax rate should not raise more than 2 cents per $100 assessed valuation from its present $2.73 level.

Church Loses Another Bout with County Planners

SAN DIEGO (CNA) — The County Planning Commission has turned down the request of the Lemon Grove Baptist for a special permit use permit to expand the existing church by construction of a new church.

The church property is located on both sides of Burnell ave. between Olive and Main streets. The church recently attempted to get the county to close Burnell ave. but abandoned this plan when the planning group rescinded its previous action recommending the closing.

Commissioner C. J. Martin said that he did not think that the 1.21 acres of church property (which would have been reduced by the granting of additional right-of-way to the county) was sufficient for the new building. He said, "If we grant this, I think that they will live to regret it."

REQUIRING 2 ACRES

The commission has adopted the policy of not approving church permits on sites of less than two acres.

The church had planned to build the sanctuary on the north side of Burnell with two-level parking on the portion of their property on the south of Burnell.

There was no opposition to the proposal as submitted although there was considerable opposition to the street closing at the previous meetings. The church has the right of appeal to the Board of Supervisors.

Boney Names Chief For Scout Dinner

Dr. Douglas McElfresh, a San Diego optometrist, has been named 1965 Eagle Scout Dinner chairman, it was announced this week by Henry Boney, Boy Scout Council president.

Dr. McElfresh, along with countywide business, professional and civic officials, will honor 112 Scouts who have attained the rank of Eagle during the past year.

The event will be held Tuesday at General Dynamics Convair cafeteria, Kearny Mesa.

Deadline Is Monday For Tax Returns

Friday, April 30, is the deadline for filing California unemployment insurance wage reports and contribution returns for the first quarter of 1965, Hagen Christensen, auditor in charge for the State Department of Employment in San Diego, today reminded employers.

Penalty and interest will be charged if the report is filed after the deadline, Christensen, said.

Employers needing assistance in preparing their returns may contact the audit office at 1350 Front St., Room 1062, or by telephone 234-4341.

STEADY, BOY — Kindergarteners in Mrs. Opal Sundstrom's class at Avondale school are putting finishing touches on the giraffe. Truman Vittitow, custodian, constructed a rough wood form for the giraffe when the youngsters began their study of the Zoo. Shown here working on the paper mache beast are Shawn Feeser and John Tuhey.

Registration Opens Monday For LM-SV Kindergartens

Registration for children who will be attending kindergarten in the La Mesa-Spring Valley school district will be held daily in the district's schools starting ent - Monday.

When registering a child for kindergarten, a parent should bring with him proof of his child's birthdate, according to Dr. David D. Pascoe, assistant superintendent - instruction.

The California State Education Code requires that a child "shall be four years and nine months of age on or before Sept. 1 of the current school year" in order to enter kindergarten. In other words, he should be five years old on or before Dec. 2, 1965.

BRING DOCUMENTS

A birth certificate, baptismal record, signed affidavit from parent or guardian, or other verification of birth, should be presented at the time of registration.

Important health information such as dates of smallpox, polio and diphtheria inoculations should also be brought at that time. Records of polio inoculations are mandatory, according to the County Health Department, since the new law took effect Jan. 1962, except for those persons not believing in the inoculations and who have signed, or plan to sign, a statement to that effect.

Following is a list of the elementary schools in the La Mesa-Spring Valley School District. If there is a question of what school is to be attended, calling the district office, 469-6171, extensions 17 and 18.

Suppers to Launch Drive For Church Construction

A campaign to construct the first unit of a new Christian Education building at Trinity Presbyterian church, Spring Valley, will be launched this weekend at two congregational barbecue suppers on Friday and Saturday evenings.

Trinity Presbyterian, which was organized in 1951 to serve the communities of Lemon Grove, Spring Valley, and La Mesa, occupies the hilltop site on Kenwod dr. that was once the home of the La Mesa Country Club. At present, both youth and adult church classes meet in the former clubhouse building. A new sanctuary was constructed nearby in 1961.

Greatly increased church school enrollment has made the present structure inadequate, according to Norman Wylie, head of Trinity's long-range planning commission. More parking space is also needed, Wylie said.

Other Units Panned

The proposed education unit will contain five classrooms and service facilities for children from nursery through primary grades. The master plan calls for construction of several additional units over the next ten years, Wylie said.

"Construction will be on a partial do-it-yourself basis," Wylie said. "We hope that members and friends of Trinity will help us meet the needs of the young people of this area by pledging muscle as well as money."

Supper in the church patio will begin at 6 p.m. on both evenings, followed by the presentation to the congregation of plans and estimates. Entertainment will be provided during the meal. Child care will be available during the business meeting.

"THE CROSS"

The body of Jesus was taken from the cross and laid in a tomb. Then, on Easter morning He rose from the dead. It is an empty cross. Jesus Christ is alive. He is reigning. The empty cross tells us that He has died, but is now alive forevermore. The empty cross declares to the world that Jesus Christ is alive and He is coming back to this earth at the end of this Age.

Unruh Says Setup Hurts White Kids, Negroes in Slums

Our present school set-up is failing to educate between 50 and 80 percent of the Negro and white children from slum areas. We know beyond the shadow of a doubt that these children need the pre-school experience of getting ready for school.

"We have school districts in which 85 percent of the pupils are seriously below average in their school work. Many children are condemned to special classes for the mentally retarded just because they cannot read enough to pass the tests. This is wrong, and we need to do something about it."

Trainers Will Conduct Free Dog Clinic Monday

Sue and Roy Wallace,, trainers for the Santa Anita Dog Training Group, will conduct a free clinic for problem dogs at the Swiss Club, Main Street, Chula Vista, Monday at 7 p.m.

Purpose of this clinic is to help dog owners who are having problems they cannot solve, Mrs. Wallace said.

"Too many dogs in this area are losing their good homes because they are in trouble. These days about 30 per cent of all dogs are born with a super-sensitive nerve condition that causes problems, and the result is a neurotic dog.

"Many dogs are afraid of people because they have a case of touch-fear. If this fear is strong the dog will bite. Others are constant barkers because of a case of sound-shock, or over-sensitive hearing. These conditions can be correcteed."

The Wallaces have been conducting training classes in the Los Angeles area for about 15 years as well as in Chula Vista and Spring Valley.

Older Americans Act To Have Impact On the Twentieth Century

Capable of dramatically changing the lives of nearly 18 million people, the Older Americans Act of 1965 soon will be evaluated n the Senate.

It has received only token press coverage and has aroused ittle controversy, according to Congressman Alphonzo Bell of California.

Yet is goes to the heart of life in the United States in the second half of the 20th century, he explains.

Criticism that ours is too much a mobile, peculiarly youth oriented nation is not without justification.

Today's dynamism has brought tragic irony: older Americans who contributed to our progress are, by virtue of having lived longer than those who dominate society today, denied the advantages of the more abundant life they may have made possible for others.

Latest statistics show that almost half our citizens who are over 65 and who live alone subsist on $1000 or less annually.

Three-quarters of these people survive on less than $2000.

One-quarter of our citizens who are aged 60 and over do not have homes of their own but live with relatives, in rooming houses or in institutions.

Of the remainder in this age group, over 30 per cent live in substandard housing and many more in housing unsuitable for elderly people.

Competitive economic practices are not solely responsible for all the harsh interrelated problems of unoccupied hours and inadequate incomes of the elderly.

Intimately known by too many of us are the pressures on both young and old when homes and resources must be shared.

But most of us are also aware of the aged who live alone when they need companionship and care.

As detrimental as limited resources and living conditions that are either substandard or inadequate, are the depression, and loneliness, the isolation that brings a sense of being neither wanted nor needed.

A shopping trip, a visit with a friend, a walk to escape the confinement of four walls, are relatively simple pursuite for most of us.

But ill health, or financial hardship, or simply fear of venturing out alone, can deny older people even these activities.

Older Americans need employment; if given the chance they can be productive; they need meaningful activity and continued variety; they need housing geared to their age requirments; they need special services to help overcome difficulties imposed by curtailed incomes and restrictive physical problems.

People and communities should benefit from the maturity of outlook the years bring to human beings.

One law cannot be a cure-all, but with enactment of the Older Americans Act of 1965, which I supported and which passed the House, a step in the right direction will have been taken.

The Older Americans Act of 1965 initially authorizes $12.5 million to be spent over a five year period to stimulate research and community planning, and to encourage more effective use of existing resources and services.

The Act is a beginning. The goal is to obtain for older Americans greater opportunity for a happy summation of life's experience, Congressman Bell concludes.

Dear Editor:

In the April 22 edition of the Lemon Grove Review in the Dimmer View editorial, 2nd Paragraph of page 4, you used the term "cops'" of which I offer a friendly protest.

It is of my opinion this particular word is a word that shows disrespect for all law officers. It is commonly used by the more undesirable characters of our society and I'm afraid it is being used more and more by our news media.

I am not trying to censor you or your paper but merely offer to you as a friendly suggestion that the word "cop" is distasteful to most police officers and to most of the law abiding citizens.

Sincerely yours,
Frank L. Phillips, D.C.
3319 Buena Vista dr.
Lemon Grove, Calif.

Dr. Frank Phillips, D. C.:

In response to the specific question which I asked of six cops, each replied that he did not feel insulted by such reference.

Each explained that much depends on the frame of reference and that professionalism could be best preserved by using the proper nomenclature "policeman."

Said one: "If a thug calls me a cop I feel complimented because it suggests he is fearfully concerned. If a respectable citizen calls me a cop I consider it a show of affection."

In short, Doc, your complaint is silly.

Max Goodwin, Editor.

PHYSICAL FITNESS

Having turned that fatal page,
We elders realize,
If we're to gain a ripe old age,
We ought to exercise.
Our golfers play in sun or rain,
Like bowlers, never through,
Until their aging bones complain,
Because they over-do.
We all should take a daily walk,
To keep the body fit,
But some just sit around and talk,
While others merely sit!
The Congress voted Medicare's
Assistance -- my oh my!
We now can change our easy chairs
For bed, and lie and lie!
We recognize, with clarity,
The politicians way:
To grant congressional charity,
For someone else to pay.
We're politicians' newest dish;
Our ballot is the prize!
We're going to make Methuselah wish
He'd had more exercise!!

UNUSUAL CATCH — Karl Fackler wrote an unusual footnote to marine biology recently when he and a friend bagged an albino sting-ray. The 16-year-old skin-diver, son of Lemon Grove realtor Karl Fackler, and his friend managed to spear the fish in the nose so as to bring him up alive for scientists at the Scripps Institute.

L.G. Youth Bags Albino Sting Ray

Karl Fackler, a 16-year-old youth who's father lives at 1604 Woodrow st., Lemon Grove, attracted wide attendtion among sea scientists when he and his companian speared the only albino sting ray of record.

Young Fackler, skin-diving off La Jolla's Beach and Tennis club last month, tracked the ray until he became a suitable target for a spear-gun shot.

"We shot him in the nose to prevent killing him." Flacker said. "After we got him on board we pounded him in submission."

The young diver realized that they had an unusual creature so they took him to Scripps Institute where it attracted world-wide attention among marine scientists.

Fackler has been skin-diving for five years and chalked up a third place in skin-diving contest recently. There were more than 50 in his division.

He attended Mt. Miguel until January. He now attends Crawford high school as a junior.

E.C. Speedway Race Prizes Top $1,710

All that could be asked Saturday night at Cajon speedway would be a repeat of last week's thriller. Track repairs have been going on all week at the local oval to fix seven crashwall holes and rebuild the starters stand lost when Bob Chambers of El Cajon climbed the wall in last week's main event.

A top program of cars and drivers will be on hand at the local oval as last week's purse of $1,710.78 drove the go-for-dough boys into a frenzy of action that was a real crowd pleaser.

Stock Race Schedule

Stock car programs will be run on May 1, 8, 14, 21, and 31; June 12, 18, and 25; July 4, 16, 23, and 30; August 6, 14, 20, and 27; Sept. 4, 11, 17, and 25; Oct. 9. Grand prix is set for the Oct. 23.

The 1965 season will see more than a dozen cars with well over 400 horse power under the hood. Three stock car champions; in 1964 Russ Bullen of San Diego; 1963 Champion Dick Guest, and 1962 champ Dick Mummert, both of El Cajo, will be the favorites for the 1965 crown.

The 1965 season will see lots of added attractions with two open competition races already set for June 12 and Aug. 14 with a $1,500 purse guaranteed to bring in the top cars in the West.

At least four destruction derbys have dates yet to be set. Added lap programs are set for May 31, July 4, and the Oct. 23 grand prix.

A FISHY COLUMN

By JIM HURLEY

After last week's column my fishing partner suggested that I tell you about one trip we made to the Salton Sea.

While standing on the bow of the boat it seems my feet got tangled up in a cleat, threw my pole and reel over the side, ripped out the seat of my pants, and had to borrow his spare pole and reel, which he fortunately had the foresight to bring. I don't see what there is to tell about that trip.

You boat owners and prospective owners — Big boat show and rides at Perez Cove Saturday and Sunday sponsored by eight local boat dealers. Free rides. Free admission. Free refreshments. Don't miss this one.

Trout season in the high Sierra opens this week. Crowly Lake is an excellent trout lake, but elbow to elbow opening day.

A two-day Hookerama fishing contest is set for Lake Henshaw May 15-16. Grand prize is a weekend for two in a lakeside cottage. Fishing tackle will make up other prizes.

Warm weather has helped the fishing at this lake. Catfish, crappie and bluegill hitting, with bass coming up. I've seen some beauties taken here.

Sutherland Dam opened last week, producing very good results in bass and bluegill. Average bass weighed 1½ to 2 lbs.; largest 6 3/4 lbs.

El Capitan is about the same as Sutherland.

Lake Murray has good trout fishing . . . over 1,000 fishermen. By the way, they now have a weekly contest with lots of nice prizes for the largest and most.

Lake Jennings, open Saturday and Sunday, is producing good trout with average half-pound catches. Buegill and sunfish are beginning to hit, with an average of a half-pound on the buegill.

State Income Tax In County in '63 Slightly Over '62

Californians reported adjusted gross income of 39 billion dollars for 1963 on their State income tax returns filed last year, which represents an increase of 8.2 percent over 1962 Alan Cranston, State Controller and Chairman of the Franchise Tax Board, announced today.

The adjusted gross income was reported on 4.8 million income tax returns filed with the Franchise Tax Board. Of the returns, 3.8 million were taxable returns, representing an increase of 250,000 over the preceding year; and one million were nontaxable returns.

The adjusted gross income reported on the taxable returns amounted to 35.4 billion dollars, for an increase of ten percent over the 1962 income year.

San Diego County had a mean average adjusted gross income per taxable return of $8,898 and ranked 13th among the counties. This represents an increase of 0.9 percent over the 1962 average.

U. S. savings are at an all time high.

YOU LIVE IN A HARD WATER AREA

- The "ring" in your bathtub is caused by hard water soap curd. With soft water, no curd can form. All porcelain surfaces stay gleaming white.
- Hard water wastes money. Look! Soft water saves 50% on soaps and detergents; 24% on water heating costs; 25% on coffee . . . and gives up to 33% more wear from clothes!
